Thanks Nancy. Did Jim Walker provide you with any discussion points on the comment responses listed? That would be helpful as we prepare for the meeting and would make the call tomorrow more beneficial.

Hi Becky,

Here's a list of response numbers that we are ready to discuss with you for our April 27, 2017 conference call. Based on the Excelsior's March responses to EPA's comments, we would like to focus on additional discussion or clarification on numbers 1, 5, 6, 10, 11, 15, 20, 23, 24, 31, 34, 37, 38, 42, 49, 50, 51, 53, 56, 57, 59, 61, and 63 for the conference call. If there's time during the call, we may provide general feedback on other responses to numbers 4, 8, 9, 12b, 13, 19, 21, 35, 36, 45, 46, 48, 52, 55, 62, and 65. Numbers 60 and 64 need some additional internal discussion.

Looking forward to our call.

Thanks, Nancy

Hi Becky,

Yes, I will provide a list of the responses before the meeting that we should be able to resolve through further discussion or clarification.

Nancy,

Will you be able to provide an agenda for the meeting Thursday, April 27, 2017 that covers any outstanding concerns that Jim Walker has on the last set of comment responses.

Thank you,

Becky
